

Acronis Foundation #TeamUp

Grow your business with Acronis

Partnering with the Acronis #TeamUp and Cyber Foundation Program gives your company the opportunity to drive real change, both locally and globally, while boosting your brand's reputation. Whether it's building schools in underserved communities or delivering digital literacy programs, our philanthropic initiatives create lasting social impact. By aligning with Acronis, your business not only contributes to a better world, but also strengthens its brand, engages employees, and appeals to socially conscious customers and partners.

Powered by Experience

The Acronis Cyber Foundation Program is a leading philanthropic initiative making a measurable global impact. Since 2018, it has built 18 schools in 22 countries, provided IT training to over 14,000 people, and delivered humanitarian aid to 5,000+ individuals. With 92% volunteer return rates and partnerships with respected NGOs and global brands, the program ensures sustainable, community-driven projects. By partnering with Acronis, companies gain a trusted ally with expertise to support logistics, planning, and promotion, making it easier to execute meaningful initiatives that align with your values and amplify your impact.

Tailor-Made Impact

Collaborate with the Acronis team to identify a specific local community project that is important to your business. Whether that is supporting existing Acronis Foundation initiatives or developing a new proposal, the Acronis team will work with you to bring your vision to life.

How Do I Qualify?

The higher the incremental Acronis monthly commitment, the more benefits you can receive! Getting started requires a minimum initial commitment of \$4K/month (USA), \$6K/month (CAN), or the equivalent increment to your current commit level to be eligible for the #Foundation program.

Foundation #TeamUp is supported through the following strategic distribution partners:
